EXECUTIVE DIRECTOR *Corner*

Welcome to August, everyone!

It's been an amazing summer filled with family brunches,

nights by the grill, and enough memories to fill up a new scrapbook. Remember to stay hydrated against the summer heat.

August is a wonderful time to reconnect and continue building the sense of community that makes this place feel like home. Whether it's joining an event, sharing a meal, or simply spending time

with neighbors, those small moments together create lasting connections and make a meaningful difference each day.

Finally, please join me in welcoming the many new faces to our community. You may have already introduced yourself to some of our new residents, but if not, be sure to greet them with a smile, and encourage them to participate in all that we have to offer. Just by being yourself, you can go a long way in making someone feel at home.

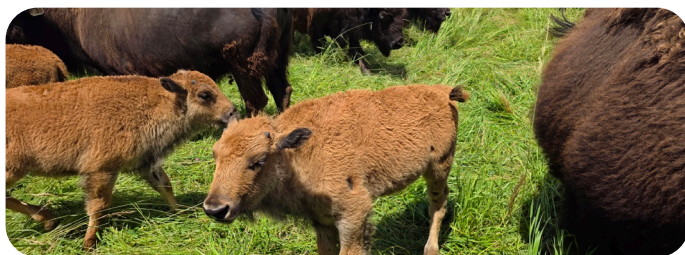

Have a great month,

Yours in Service,

Crystal Wray, HFA
Executive Director

BISON OUTING!

We enjoyed an outing to Broken Wagon Bison Farm! Bison – not Buffalo!

Baby Bison checking out the wagon!

Myra excited to see the Bison!

SUMMER SOIREE HIGHLIGHTS

This July, for our Elevated Dinner, we held a Summer Soiree! Residents enjoyed appetizers of shrimp, beach themed decorations, and even dancing!

Jim and Delilah enjoying the Summer Soiree together!

Sheila and her son having a blast!

When Words Don't Make Sense

As dementia progresses, your loved one may begin to use words or phrases that don't seem to make sense, sometimes called nonsensical or "word salad" speech. This can happen because the brain has difficulty finding and organizing the right words, not because they are trying to be confusing. It's often seen in conditions like Alzheimer's disease and can be frustrating for families, but there are ways to respond that help. Try to focus on the emotion behind what they're saying rather than the exact words and respond calmly and reassuringly. Keep your own language simple and clear, ask yes-or-no questions when possible, and give them extra time to express themselves without correcting or interrupting. Gentle cues, such as pointing or using familiar objects, can also help support understanding. Most importantly, maintaining patience and a reassuring tone can help your loved one feel heard and safe, even when communication becomes more difficult.

Tea Party

We held a fancy tea party for the residents – it was a big hit! Residents enjoyed cozy chamomile tea and riveting conversation!
