Legacy News

Our Legacy residents have had lots of fun with daily baking, making tasty treats like banana bread, mini cheesecakes, French

Silk Chocolate Pie, berry cobbler, homemade bread, and much more! This month, we've been having lots of fun building projects, flower arranging, enjoying music therapy, playing Family Feud and "Guess What's in the Box," and tending to our garden!

EXECUTIVE DIRECTOR *Corner*

Welcome to August, everyone!

It's been an amazing summer filled with family

brunches, nights by the grill, and enough memories to fill up a new scrapbook.

Remember to stay hydrated against the summer heat.

August is a wonderful time to reconnect and continue building the sense of community that makes this place feel like home. Whether it's joining an event, sharing a meal, or simply spending time with neighbors, those small

moments together create lasting connections and make a meaningful difference each day.

Finally, please join me in welcoming the many new faces to our community. You may have already introduced yourself to some of our new residents, but if not, be sure to greet them with a smile, and encourage them to participate in all that we have to offer. Just by being yourself, you can go a long way in making someone feel at home.

Have a great month!

Yours in Service,

Marty Hawkins

Executive Director

CAMPUS IN COLOR

Each Spring and Summer, Trilogy campuses across the division celebrate Campus In Color, a gardening and beautification initiative that connects staff, residents, and the greater community as we work together to enhance our outdoor spaces. This initiative is designed to make our communities blossom with flowers and crops sown and maintained with heart, collaboration, and pride! At Glen Ridge Health Campus, we welcome all residents, staff, and visitors to fully immerse themselves in the Campus In Color experience – whether it's playing a game of cornhole with friends, watering the shared garden, enjoying our comfy patio furniture, or simply taking in the beauty of the season from the comfort of our courtyards!

MORE CAMPUS IN COLOR PHOTO HIGHLIGHTS

Inspired Living Committee

Each month, our Life Enrichment team hosts an Inspired Living Committee meeting. ALL residents are invited to join us as we brainstorm exciting additions and enhancements to our monthly activity calendar and Life Enrichment service offerings. This meeting is the perfect opportunity to share your ideas for activities and events you'd like to see featured in the upcoming months!

Volunteers Needed

Are you, or is someone you know, interested in becoming a volunteer for our campus?

Do you have a passion for serving with dignity, love, and compassion? Ask to speak to our Life Enrichment team about becoming part of something important and giving back in a BIG way!

Resident Council

Each month, our Life Enrichment team invites residents from our Health Care and Assisted Living service lines to participate in a private Resident Council meeting. Resident Council serves as an opportunity for residents to share any comments or concerns they may have as it pertains to the service offerings of all departments, including Health Services, Sales, Food Services, Environmental Services, Plant Operations, Life Enrichment, Social Services, and Business Operations, so that we may address and overcome any barriers to the fulfillment of our residents' needs and satisfaction.

Upcoming Campus Events

Dear Residents & Resident Families,

Mark your calendars! Our next Family Night is scheduled for Thursday, August 6th, from 2:00 – 4:00 pm. We're excited to announce the return of a campus favorite, Farmer Steve, for the special occasion! Residents and their loved ones are invited to enjoy an immersive petting zoo experience you won't want to miss! We hope to see you there!
