Legacy News

Summer has finally arrived, and we have had some great cookouts with more to come. Thank you to Gary Smith for cooking out for us, and the church that came to sing for us! And to all the family that came and brought delicious food! What a great start to summer!

EXECUTIVE DIRECTOR *Corner*

Welcome to August, everyone!

It's been an amazing summer filled with family

brunches, nights by the grill, and enough memories to fill up a new scrapbook. Remember to stay hydrated against the summer heat.

August is a wonderful time to reconnect and continue building the sense of community that makes this place feel like home. Whether it's joining an event, sharing a meal, or simply spending time with neighbors, those small

moments together create lasting connections and make a meaningful difference each day.

Finally, please join me in welcoming the many new faces to our community. You may have already introduced yourself to some of our new residents, but if not, be sure to greet them with a smile, and encourage them to participate in all that we have to offer. Just by being yourself, you can go a long way in making someone feel at home.

Have a great month,

Yours in Service,

Sean Medsker

Executive Director

INTRODUCING NEW DEPARTMENT LEADERS

Ruvelyn “Lyn” Numenzo **DIRECTOR OF REHABILITATION SERVICES**

Lyn has been with Harrison’s Crossing since its opening 11 years ago! She is from Cebu, Philippines. She moved to Terre Haute 9 years ago. In her free time she loves to travel, to read books, and to dance!

Ryan Smith, LPN **ASSISTED LIVING DIRECTOR**

Ryan’s face may seem a bit familiar to you! After some time away, he is back at Harrison’s Crossing as our new Assisted Living Director, and we are so happy about his return! Ryan is also into running. Several of you may have gotten to know him better at our July Resident Council, never hesitate to reach out!

Jordan Pirsch **SOCIAL SERVICES DIRECTOR**

Jordan grew up in Terre Haute, and currently lives in Clinton with her husband, five-year-old daughter and two sons (ages 17 & 14). With a passion for serving others, she attended Saint Mary-of-the-Woods College and holds a bachelor’s degree in Psychology, Human Services, and Sociology as well as a Master’s Degree in Healthcare Administration. Fun fact: Jordan skydived with her grandpa for his 68th birthday!

Advice Column: Ask Harrison

Introducing our new advice column! Each month we will have new topics and answers to ponder! All questions and answers will be anonymous and posted in the following newsletter. With this being the first edition, here are some questions for you to submit answers to:

What’s your secret to staying

positive during hard times?

What do you think younger generations could learn from yours?

What’s a tradition from your childhood you wish more people kept alive today?

Submit your responses to Christel at the front desk or Sierra, the Life Enrichment Director.

Amber Golden **SCHEDULING COORDINATOR**

Originally from Brazil, IN, Amber is new to the skilled nursing facility environment. Her role in the building is ensuring clinical staff is appropriately scheduled and up to date on trainings. She loves to spend time with her 1 year old grandson, who you might occasionally see visiting her on campus!

VOLUNTEERS NEEDED

Let a Life Enrichment Specialist know if you are interested in teaching a class, presenting a hobby, or anything else you might be interested in sharing with our residents!
