EXECUTIVE DIRECTOR *Corner*

Welcome to August, everyone!

It's been an amazing summer filled with family brunches, nights by the grill, and enough memories to fill up a new scrapbook. Remember to stay hydrated against the summer heat.

August is a wonderful time to reconnect and continue building the sense of community that makes this place feel like home. Whether it's joining an event, sharing a meal, or simply spending time with neighbors, those small moments together create lasting connections and make a

meaningful difference each day.

Finally, please join me in welcoming the many new faces to our community. You may have already introduced yourself to some of our new residents, but if not, be sure to greet them with a smile, and encourage them to participate in all that we have to offer. Just by being yourself, you can go a long way in making someone feel at home.

Have a great month,

Yours in Service,

Seth Gehring
Executive Director

A DREAM REVISITED AT THE HOOVER DAM

At Smith's Mill, we believe that sometimes the most meaningful dreams are rooted in cherished memories.

One of our beloved residents, Berhe, held a special place in his heart for the Hoover Dam. For years, it was part of his daily ritual to enjoy a peaceful morning there with a cup of coffee. It had been over a year and a half since he last visited, and he deeply missed those quiet, reflective moments.

We were honored to help make that dream come true once again.

Berhe and his wife spent a beautiful day together at the Hoover Dam and enjoyed a relaxing picnic overlooking the water, listened to his favorite tunes, and soaked in the warmth of the sun.

At Smith's Mill, our Live a Dream program is about honoring the moments that matter most. We were grateful to help Berhe reconnect with a place that brought him so much joy, reminding us all that sometimes the most powerful dreams are the ones that bring us back home coming.

A DREAM BLOSSOMS CLOSE TO HOME

At Smith's Mill, we believe that sometimes the most meaningful dreams don't require a passport—they simply require a little creativity, thoughtfulness, and a lot of heart.

One of our cherished residents, Cleo, has always dreamed of visiting the breathtaking flower gardens of Dubai. While international travel wasn't possible, our team found a beautiful way to bring a piece of that dream to life.

Cleo was surprised with a special outing to the beautiful Park of Roses, where she spent the day surrounded by vibrant blooms, peaceful walking paths, and the beauty of nature. To make the experience even more memorable, we surprised her with a Dubai chocolate bar, giving her a sweet taste inspired by the destination she has always hoped to visit. The surprise brought plenty of smiles, laughter, and joyful conversation throughout the day.

A WILD SUMMER ADVENTURE AT THE ZOO

At Smith's Mill, summer is a time for adventure—and our residents kicked off the season with a delightful trip to the zoo for their first summer outing to explore the wonders of North American wildlife.

After a morning of exploration, everyone gathered for a relaxing picnic lunch. Surrounded by nature and good company, residents enjoyed delicious food, laughter, and the simple pleasure of being outdoors together.
