EXECUTIVE DIRECTOR *Corner*

Welcome to August, everyone!

It's been an amazing summer filled with family brunches, nights by the grill, and enough memories to fill up a new scrapbook. Remember to stay hydrated against the summer heat. August is a wonderful time to reconnect and continue building the sense of community that makes this place feel like home. Whether it's joining an event, sharing a meal, or simply spending time with neighbors, those small moments together create lasting connections and make a

meaningful difference each day.

Finally, please join me in welcoming the many new faces to our community. You may have already introduced yourself to some of our new residents, but if not, be sure to greet them with a smile, and encourage them to participate in all that we have to offer. Just by being yourself, you can go a long way in making someone feel at home.

Have a great month,

Yours in Service,
Jim Sherry
Executive Director

RESIDENT SPOTLIGHT

Born seventy-five years ago to Amos and Bertha R., Steve feels lucky to have lived the life he has. As one of five children, he remembers a childhood in which he busied himself carrying out chores on the farm and helping care for the neighbor's stable and horses.

A not-so-pleasant memory for Steve is of the struggle to keep up with the structured atmosphere and the challenging curriculum at school. Luckily, he ultimately found the support, community and life skills offered by Brookhill Industries.

From building pallets to participating in Special Olympics, Steve credits Brookhill for helping him build confidence and self-worth. That and the support of his loving family makes him the happy man he is today.

From helping to call bingo to participating in such activities as choir, bells, and Expressive Arts, Steve is an active participant in our Assisted Living community. His life story inspires and enlightens. It is a case study in the evolution of special needs education in our country.

At the core, Steve's intuitive understanding of life is a reminder of man's inherent need to belong and to give back.

"I like everybody," Steve shares.

"If you respect me, then I respect you, too."

For more on Steve R., check out an upcoming Spotlight on The Meadows of Ottawa Facebook page.

EXPRESSIVE ARTS

Our Expressive Arts group could easily be dubbed “The Gabbing Dabblers,” as each week we tackle a new medium as we share laughs and praise.

As the circle grows it has ushered in folks who love to watch and engage. More important than the diverse pieces we produce is the conviviality of the people who gather. As the circle grows, so, to do the friendships.

For one chaotic hour embellishments and stories zigzag around the room.

Can you spot the onlooker who livened up the conversation, glued on a flower and claimed the practice piece as their own?

Legacy News:

PRETTY IN EVERY WAY!

A little pampering goes a long way! Our Legacy residents recently enjoyed getting their nails done, adding a splash of color and a touch of sparkle to their day. These special moments are about more than beautiful nails—they provide opportunities for relaxation, conversation, self-expression, and meaningful one-on-one connections.

Seeing the smiles, laughter, and confidence that shine after a fresh manicure reminds us that it's often the simple acts of kindness that make the biggest impact. We love creating experiences that help our residents feel cared for, celebrated, and beautiful inside and out!

Out and About

Fun was in the air as our residents enjoyed a wonderful day at the fair! From taking in the sights and sounds to sharing laughs and making memories with friends, it was a day filled with joy, excitement, and community.

Outings like these provide opportunities to connect, reminisce, and experience the simple pleasures that make life so meaningful. We are grateful for the smiles, conversations, and special moments shared throughout the day.
