7/28	Chef Circle (10a, AL)
7/31	Happy Hour (3p)

EXECUTIVE DIRECTOR *Corner*

Happy July, everyone!

It's been an amazing summer so far of cookouts, nights spent with friends, and

of course, refreshing Happy Hours to help us cool down. In our childhoods, it was around this time of year that many of us started looking towards the dreaded return to the classroom – but here at our campus, the middle of July means that the party is just getting started.

As we head deeper into

the season, there's still plenty to look forward to around campus. From live entertainment and themed events to afternoons spent outside enjoying the sunshine, summer always has a way of bringing people together. It's been wonderful seeing everyone catching up with neighbors, welcoming visiting family members, and making the most of these longer days. We hope you'll continue joining us for all the fun, laughter, and little moments that make this time of year so special.

Have a great month!

Yours in Service,
Leeza Snyder
Executive Director

THERAPY HIGHLIGHTS

Our recent Synchrony activity was a wonderful opportunity for residents to stay active, engaged, and motivated in a fun and supportive environment. With guidance from our team, residents participated in a variety of movements designed to promote strength, flexibility, and overall well-being. Laughter and encouragement filled the room as everyone worked at their own pace, celebrating each success along the way.

Activities like these not only support physical health but also boost confidence, improve mood, and bring our community closer together.

Want to get more active? Join us with Therapy to have an amazing time.

Legacy News

Our Campus in Color initiative is bringing a fresh sense of vibrancy and joy to Legacy Way as we work together to brighten our surroundings and celebrate the beauty of the seasons. Residents and team members alike are coming together to share ideas, plant flowers, and add colorful touches throughout our campus, creating spaces that feel welcoming, uplifting, and full of life. This project is more than just adding color—it's about building community, encouraging creativity, and taking pride in the place we call home. We are excited to see our campus bloom and grow, reflecting the warmth and spirit of everyone who lives and works here.

CHICK-FIL-A OUTING

Our recent outing to Chick-fil-A was a wonderful time filled with great food, laughter, and even better company. Residents enjoyed getting out into the community and sharing a meal together in a fun and welcoming environment. From the friendly service to the delicious menu favorites, it was a treat for everyone involved. Outings like these give our residents the opportunity to connect, reminisce, and create new memories together outside of our campus walls. We look forward to many more adventures like this as we continue to stay active and engaged in our community.

We had such an amazing time at Chick Fil A, great food, great service and company.

CASEY FARM HIGHLIGHTS

Our trip to Casey Farm was a heartwarming and memorable experience for everyone involved. Residents enjoyed a peaceful day in the country, taking in the fresh air, beautiful scenery, and of course, spending time with our adorable pig friends. The visit brought plenty of smiles, laughter, and even a few stories shared about past farm life and experiences. Connecting with the animals created a sense of joy and comfort, reminding us all of the simple pleasures that come from nature and companionship. Outings like this continue to provide meaningful moments for our residents, and we look forward to many more opportunities to get out, explore, and make lasting memories together.

What a great day to enjoy the farm
