EXECUTIVE DIRECTOR *Corner*

Happy July, everyone!

It's been an amazing summer so far of cookouts, nights spent

with friends, and of course, refreshing Happy Hours to help us cool down. In our childhoods, it was around this time of year that many of us started looking towards the dreaded return to the classroom – but here at our campus, the middle of July means that the party is just getting started.

As we head deeper into the season, there's still

plenty to look forward to around campus. From live entertainment and themed events to afternoons spent outside enjoying the sunshine, summer always has a way of bringing people together. It's been wonderful seeing everyone catching up with neighbors, welcoming visiting family members, and making the most of these longer days. We hope you'll continue joining us for all the fun, laughter, and little moments that make this time of year so special.

Have a great month!

Yours in Service,

Katelyn Greiner
Executive Director

LEGACY NEWS

Brenda B. dedicated her career to education as an English teacher at Calvin Christian High School, where she shared her love of learning and literature with generations of students. Her passion for teaching and helping others has remained a defining part of who she is.

A devoted Christian, Brenda values her faith and the relationships she

has built throughout her life. She has two sisters, Mardell and Sharon, and has always enjoyed spending time with family and friends.

Over the years, Brenda enjoyed singing hymns, playing Bananagrams and Rummikub, and sharing stories from her teaching days. She also loved dining at Rainbow Grill, where she often enjoyed one of

her favorite foods—hot dogs. Known for her quick wit and sense of humor, Brenda has a special way of making those around her smile.

Brenda's life is a wonderful reflection of dedication, faith, family, and friendship. Her memories, experiences, and joyful spirit continue to enrich the community at The Oaks at Byron Center.

Live A Dream

One of Judy B.'s lifelong dreams recently became a reality through our Live A Dream program! Judy has always wanted to ride in a hot air balloon, and she finally got the opportunity to soar through the skies. Accompanied by her son, Kent, Judy enjoyed an unforgettable adventure as they floated high above West Michigan together.

The experience was even more special when they reached an altitude high enough to see Lake Michigan in the distance. The breathtaking views and time spent with her son made for a truly memorable day.

We are so honored to help make dreams come true and are thrilled that Judy was able to check this incredible experience off her bucket list!

Staff Spotlight

This month, we're excited to spotlight a valued member of our team! Our new Director of Sales, Andrew Engelsman. Born and raised in Hudsonville, Michigan, he and his wife, Amy, have been married for 19 years and have three children: Maya (16), Leo (13), and Noah (9). Before joining our team, he worked as a Business Development Representative with Interim Healthcare's hospice team and previously served as Community Relations Director for At Home Rehab. He also spent 14 years as a Deputy with the Ottawa County Sheriff's Office.

In his free time, he enjoys spending time with his family and being outdoors. Golfing, hiking, hunting, fishing, camping, and boating are some of his favorite activities.

Looking ahead, he's most excited for summer getaways and warmer weather. We're grateful to have him on our team and appreciate all he brings to our community!
