Taylor S.	7/24

Upcoming Campus Events

August 7th we are taking a trip to the Fairgrounds to see the Beach Boys live in concert! In September, we have the pleasure of honoring one of our Veterans on an Honor Flight for A Live a Dream! We are looking forward to Beasley's Orchard Sunflower field as one of our weekly trips, as well as some fabulous new restaurants.

EXECUTIVE DIRECTOR *Corner*

Happy July, everyone! It's been an amazing summer so far of cookouts, nights spent

with friends, and of course, refreshing Happy Hours to help us cool down. In our childhoods, it was around this time of year that many of us started looking towards the dreaded return to the classroom – but here at our campus, the middle of July means that the party is just getting started.

As we head deeper into the season, there's still

plenty to look forward to around campus. From live entertainment and themed events to afternoons spent outside enjoying the sunshine, summer always has a way of bringing people together. It's been wonderful seeing everyone catching up with neighbors, welcoming visiting family members, and making the most of these longer days. We hope you'll continue joining us for all the fun, laughter, and little moments that make this time of year so special.

Have a great month!

Yours in Service,

Natalie Padgett

Executive Director

EMPLOYEE SPOTLIGHT

Our dietary staff's selfless dedication shines bright, as they spent some of their Saturday night with our residents to bring joy and excitement, showing their prom dresses and taking photos before prom with our residents! So many radiant smiles.

CAMPUS IN COLOR

Our staff and residents have spent lots of time together outdoors in our courtyards, pulling, digging, planting, and seeding. We are so excited to see the winners of Trilogy's campus in color.

Independence Day Party

We are excited for our Independence Day party on Friday, July 3rd! Join us for a Blast during our Friday Happy hour at 3:00, music, cookout, slushies, and fireworks!

New Van We are happy to add a new addition to our Springs family! A new van! We know it can be trying to get back and forth to appointments, and our Life Enrichment team works together with the nursing staff and our Springs family members and residents to transport them safely to their appointments. In addition to our bus, we now have a brand-new, comfortable van to help with transport needs.

Life Style Hubs Life Enrichment

We absolutely love the new Life Style Hubs Life Enrichment has added around campus, residents consistently engage in self-directed activities through out the day and evenings, from a record station, residents can play records and read information about artists, with our "record of the month" we have an area available at all times where residents are able to read books, do word searches, and more, and everyone's favorite, a card and game table with dominoes, cards uno and more. And coming soon to Lifestyle Hubs: a scrapbooking station where residents can look through photo albums of past activities, trips, games, etc.

Smile of the Month Joyce Joyce has been a resident at The Springs for five years. Joyce has a son and a daughter that visits daily and four grandkids. Joyce enjoys shopping, going out to lunch or anywhere the Springs of Mooresville bus is going, playing bingo and making crafts, if she's not outside soaking up the sun. We appreciate Joyce for her friendliness to all staff and other residents. Thank you for your kindness, wise words, and love for everyone.
