EXECUTIVE DIRECTOR *Corner*

Happy July! It has been an amazing summer so far with our Elegant Summer Soirée, shopping for and planting flowers, and refreshing Happy Hours. It was around this time of year, when we were children, that many of us started anticipating the return to the classroom – but here at Valley View, the middle of July means the party is just getting started. As we head deeper into the

season, there is plenty to look forward to; including live entertainment, themed events, and afternoons spent outside enjoying the sunshine. Summer certainly has a way of bringing us all together. It has been wonderful seeing everyone gathering outside, visiting with family, and making the most of these longer days. I hope you will continue to join us for more fun, laughter, and little moments that make this time of year so special.

Have a great month!

Yours in Service,

Nanci Kosanka, MBA, LNHA
Executive Director

SUMMER FIELD TRIPS

This summer, our residents are looking forward to a season full of adventure, laughter, and memorable outings through our exciting Summer Field Trips program. These special trips give residents the opportunity to explore local attractions, enjoy scenic destinations, and spend meaningful time with friends outside the community. From shopping excursions and favorite restaurants to parks, museums, and seasonal events, each outing is carefully planned to create fun and enriching experiences for everyone involved. Summer Field Trips encourage residents to stay active,

social, and connected with the world around them while enjoying the beauty and excitement of the season. Our staff loves seeing the smiles, conversations, and cherished memories that come from these shared adventures. We can't wait to see where this summer takes us!

Legacy News

Residents on Legacy Lane enjoy a variety of engaging activities designed to support memory, encourage social connection, and bring joy to each day. From music and crafts to games, baking, and reminiscing activities, these moments help stimulate memories while creating a comforting and familiar environment. Our teams take pride in providing compassionate care that helps your loved ones feel valued, safe, and included. Activities are thoughtfully planned to encourage participation, maintain daily routines, and promote emotional well-being. Laughter, conversation, and meaningful interaction fill the halls of Legacy Lane each day, creating a true sense of family and belonging. We are proud to provide a warm and caring home where residents can continue to thrive and enjoy life's special moments.

FAMILY BRUNCH

With every Family Brunch, our home comes alive with laughter, conversation, and the aroma of delicious food during our much-anticipated Family Brunch. This special event brings our residents, families, and team together to share a meaningful morning filled with connection and community. Everyone enjoys a variety of comforting brunch favorites while spending quality time with their loved ones in a warm and welcoming atmosphere. Family Brunch also gives our team the opportunity to meet and greet families, strengthening relationships and creating lasting bonds of trust and support. These gatherings continue to remind us that our community is more than a place to live and work, it is a family. We are grateful for every smiling face that joins us and helps make each brunch such a memorable occasion.

Resident of the Month: Barb S.

Barb S. was born in Oak Harbor and grew up as one of four children. Her first love has always been family, followed closely by her passion for horses.

Although she never owned a horse herself, friends often brought their horses for Barb to train and show at the Fair, where her talent even earned her a front-page feature in the Fremont News-Messenger. After getting married, Barb attended Bill Hixen's flower design school and earned a certificate in interior design. She enjoys gardening, decorating, cooking, and spending time both outdoors and

at home, but says her greatest accomplishment is her children, whom she is very proud of. Barb loves life and shares that she feels safe, comfortable, and truly at home at Valley View, where she considers everyone part of one big family.

Employee of the Month: Tiffany Cooks

We are so excited to announce Tiffany Cooks, LPN, Assisted Living Director, is our Oh Great One! Tiffany began her career at Valley View Health Campus as an LPN and was recently promoted to the Assisted Living Director. Tiffany is dedicated to ensuring exceptional care is provided for our residents. Tiffany jumps in and helps out with whatever is needed. She has strong clinical skills and an exceptional personality that draws people to her. Tiffany truly leads by example, and her collaborative nature is a great example of why Team Approach Works Best. Thank you, Tiffany, for being a part of our team!

Lifelong Learning

This July, we are proud to celebrate Lifelong Learning while honoring an extraordinary milestone in our nation's history, America's 250th year. As we reflect on the journey of our country, residents will have opportunities to share stories, memories, and lessons from the generations that helped shape our communities and traditions. Special activities throughout the month will highlight American history, patriotism, and the importance of preserving the wisdom and experiences of older adults. We are especially honored to recognize the veterans within our community, whose courage and service continue to inspire us every day. Their firsthand experiences bring history to life and remind us of the sacrifices made to protect the freedoms we celebrate on Independence Day. This meaningful celebration is a wonderful reminder that learning, sharing, and honoring our past can unite generations and strengthen our community spirit.
