Legacy News

Our Memory Care residents enjoy spending time in our beautiful courtyard, engaging in therapeutic gardening activities.

This provides a wonderful opportunity for them to connect with nature, enjoy gentle exercise, and experience the calming benefits of working with plants. Gardening can also evoke fond memories and provide a sense of purpose and accomplishment for our residents.

EXECUTIVE DIRECTOR Corner

Happy July, everyone!

It's been an amazing summer so far of cookouts, nights spent with friends, and of course, refreshing Happy Hours to help us cool down. In our childhoods, it was around this time of year that many of us started looking towards the dreaded return to the classroom – but here at our campus, the middle of July means that the party is just getting started.

As we head deeper into the season, there's still plenty to look forward to around campus. From live

entertainment and themed events to afternoons spent outside enjoying the sunshine, summer always has a way of bringing people together. It's been wonderful seeing everyone catching up with neighbors, welcoming visiting family members, and making the most of these longer days. We hope you'll continue joining us for all the fun, laughter, and little moments that make this time of year so special.

Have a great month!

Yours in Service,

Kylie Carmack

LIVE A DREAMS COME TRUE: *Wally and Beth Inspire Us All!*

Two of our amazing residents recently proved that you are never too old to chase your passions through our "Live a Dream" program. Wally, a former professional soccer player, spent a thrilling morning on the sidelines watching the Indy Eleven soccer team practice, where he connected with the coaches and traded stories with the players. Meanwhile, Beth fulfilled a lifelong wish to dive into astrology, sharing a deeply meaningful afternoon with her daughter as they both received personalized readings from Bhawana M. We are so proud to help our residents keep dreaming big and living life to the fullest!

A DELIGHTFUL STROLL DOWN MEMORY

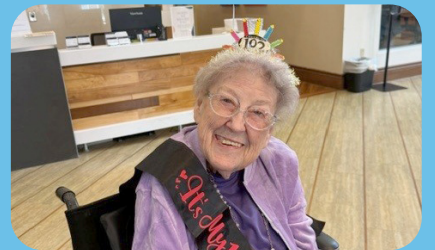

LANE: *Our L.S. Ayres Tea Room Celebration!*

Our residents recently spent a magical afternoon sipping fine teas, indulgence in delicious tea sandwiches, and tasting decadent desserts. The event served as a beautiful opportunity for everyone to reminisce about the cherished days of the historic L.S. Ayres Tea Room. Christina from the Traveling Tea Cart truly brought the past to life, decorating our space with beautiful vintage items, nostalgic pictures, and classic decor that unlocked sweet memories for all who attended. It was a wonderful, heartfelt day filled with laughter, stories, and deep community connections.

Celebrating 102 Wonderful Years: Happy Birthday, Marie!

Our community came together for a truly historic milestone as Marie celebrated her 102nd birthday! Surrounded by her loving friends and family, Marie enjoyed a delicious celebratory lunch followed by a lively Happy Hour held in her honor. The room was filled with laughter, shared stories, and toasts to her remarkable life. While the food and festivities were fantastic, Marie shared that being completely surrounded by love was the absolute best birthday present of all!

OUR CAMPUS IN COLOR: *Cultivating Beauty and Purpose!*

Our courtyards are undergoing a stunning transformation into lovely English garden sitting areas through our "Our Campus in Color" initiative. The space is being filled with beautiful perennials that will flower for years to come, alongside vibrant annuals to brighten up our decorative pots. We are incredibly grateful to our dedicated staff, residents, and families whose hard work is bringing back the love of gardening and bringing deep purpose to our days.
