ED Corner – August 2026

Greetings, everyone!

This month brought sunshine, laughter, and no shortage of good company around the courtyard. We’ve loved seeing residents and families make the most of every gathering, from quiet coffee chats to lively themed socials.

There’s a certain energy around campus this time of year, and it shows -- in the live music on the lawn, the friendly card games on the porch, and the steady stream of visiting grandchildren. We’re grateful for every small moment that makes this community what it is.

Have a great month!

Yours in Service,
Priya Anand
Executive Director
