## *The Benefits of* **SOCIALIZATION**

When we look back on “the good old days”, we often find that some of our most cherished memories are the ones that we share with the people we love. We live for the moments when we can have a heart to heart with a sibling or cry from laughter with a friend. These experiences remind us that we are loved, and make us feel connected to the world at large.

Simply put, the benefits of social interaction are as purifying to the mind as they are to the spirit:

- The Mayo Clinic states that socialization can help **sharpen memory** and increase your sense of happiness and wellbeing.
- Interacting with others can offer a greater sense of belonging and purpose.
- There’s no end to learning new things and gaining new insights from fresh faces.
- Feelings of compassion may become stronger as you share your stories and listen to the stories of others.
- You will be surrounded by people who understand how you feel.
- With the encouragement of others, you can be inspired to embrace your talents and pursue their passions.

*We understand how important community involvement and social interaction is for you, which is why we have plenty of opportunities for you to get involved. Talk to a member of our team today to learn more about all of the exciting events and activities planned for the weeks ahead!*

## Happy Birthday!

## EXECUTIVE DIRECTOR Corner

Happy July, everyone!

It's been an amazing summer so far of cookouts, nights spent with friends,

and of course, refreshing Happy Hours to help us cool down. In our childhoods, it was around this time of year that many of us started looking towards the dreaded return to the classroom – but here at our campus, the middle of July means that the party is just getting started.

As we head deeper into the season, there's still plenty to

look forward to around campus. From live entertainment and themed events to afternoons spent outside enjoying the sunshine, summer always has a way of bringing people together. It's been wonderful seeing everyone catching up with neighbors, welcoming visiting family members, and making the most of these longer days. We hope you'll continue joining us for all the fun, laughter, and little moments that make this time of year so special.

Have a great month!

Yours in Service,  
**Kiya Brown**  
Executive Director

## Smile of the Month

Meet Robyn J. and learn a little more about her. In September, 2024 Robyn joined Gateway Springs and has been an excellent addition to the Trilogy family.

Since joining our clinical team at Gateway Springs, Robyn has created so many friendships during our monthly ER3 – employee recognition celebrations. When working, Robyn's reliability, experience, and genuine kindness are all integral pieces of our team. With team player spirit and people personality, Robyn has been an excellent addition to the Gateway Family and we are so lucky to work with her.

In her free time, Robyn enjoys going on vacation, eating at local restaurants, and shopping throughout the city. On a day off, you might find Robyn having a meal at Nasu in Northern Kentucky or enjoying an afternoon at Good Brothers in North College Hill. This summer we hope Robyn will join us during our out and about trips around the Hamilton area and declare a new favorite restaurant.

In the future, Robyn is looking forward to improving her blood drawing abilities when working with the lab. We are thankful for her continued patience along with her nursing skills.

## Trust Funds

At Gateway Springs Health Campus, we are dedicated to supporting you and your loved ones in finding the best living solutions while maintaining independence and financial stability. One of the easiest ways to ensure financial responsibility during our scheduled outings is through our Trust Fund program. A Trust Fund is a secure financial arrangement that allows residents to manage their assets while ensuring they have access to funds for daily living expenses. It also helps protect their wealth from being fully depleted by other costs.

By setting up a trust fund, they can enjoy these experiences worry-free. If you have any questions or would like to establish a Trust Fund for yourself or a loved one, please visit our business office. Our Business Office Manager, Kim Jewell, is happy to assist you!
